NESREEN SELIM

INTERIOR ARCHITECT  Oakton, VA

EXPERIENCE

SR/A Interior Design Firm - Interior Design Intern

01/2023 - 05/2023

- Managed the resource library to keep materials updated.
- Collaborated with vendors for procurement and product selection.
- Assisted in furniture selection and facilitated product orders.
- Coordinated client communication, including mailing samples and follow-ups.
- Effectively communicated with vendors on product selection and delivery.
- Attended weekly team meetings for project updates and brainstorming.
- Created presentations using Adobe Photoshop to illustrate client ideas.

Crate & Barrel - Furniture Sales and Design Associate

08/2023 - 01/2024

- Conducted in-home consultations to develop personalized design solutions.
- Created floor plans and mood boards to enhance customer engagement.
- Provided expert design advice to elevate the customer experience.
- Streamlined layouts to encourage repeat business and generate referrals.
- Analyzed customer feedback to guide future design decisions.

Marymount University - Interior Design Resource Librarian

01/2021 - 05/2024

- Maintained reference materials and managed relationships for sample acquisition.
- Ensured availability of essential materials like paper, ink, and design software.
- Organized departmental events and oversaw inventory of samples and finishes.
- Managed maintenance of computer hardware and media equipment.
- Evaluated materials for disposal of outdated or unused items.

Ann Taylor - Visual Interior Designer

01/2021 - 12/2022

- Led visual merchandising initiatives to improve store displays and aesthetics.
- Created display strategies that exceeded standards, boosting customer engagement.
- Redesigned mannequin displays to optimize space and visibility.

PROFESSIONAL SUMMARY

Resourceful and award-winning interior architect with a passion for creating sustainable, inclusive spaces for refugees and underprivileged communities. As a Metropolis 100 Recipient, recognized among 50 undergraduate interior design students across the U.S. and Canada, I bring a unique blend of creativity and technical expertise to residential and commercial projects. Skilled in developing innovative design concepts, selecting materials, and managing projects from concept to completion. Accredited with LEED GA and currently pursuing LEED AP BD+C to further enhance my ability to deliver functional, stylish, and eco-friendly solutions. Exhibits excellent communication, project management, and organizational skills, committed to crafting thoughtful, cost-effective designs.
